

MATT WHO?

Matt's Red Hots is owned by Matt Syroczyński. He and his family (*and everyone we know!*) love to eat hot dogs, hand cut fries and ice cream. However, finding a place that offers these items was nearly impossible! We felt that this was a problem worth solving and Matt's Red Hots came to life.

At Matt's Red Hots, we believe in fresh. Our burgers are never frozen our fries are hand-cut, and our onion rings are hand-battered. Even our sides and sauces are made from scratch. If that wasn't enough, we grill our fresh food right in front of you. We offer high quality, professionally crafted food. We hope that our grilling method brings back childhood memories of grilling with family in the backyard.

A Buffalo, New York native, Matt proudly serves Buffalo's best hot dogs, . In addition to the delicious dogs, you can enjoy a family-friendly atmosphere that will bring back those nostalgic childhood memories of grilling outside with friends and family...oh, and did we mention the fresh burgers, hand-cut fries, hand-battered onion rings and homemade sauces? When you're done, you can enjoy one, two or even 10 scoops of Royal Scoop ice cream!

Please stop in and grab a dog and some ice cream.

See you soon!
